

Name: John Duncan

Class of works: I am writing in support of Class #3 (Unskippable DVD Advertising): Audiovisual works released on DVD that contain access control measures that interfere with the ability to control private performance, including the ability to skip promotional materials.

Summary:

Disc name: Tarzan and The Sixth Sense

I am requesting an exemption to the DCMA for the ability to skip promotional materials. Many DVDs I've rented from Blockbuster, such as Tarzan and The Sixth Sense, have often forced me to watch ads instead of skipping to the play section.
